

PAVS MUSIC

SUPPORTING CONTENT CREATORS

PAV's Music is trading under PAVS Media LTD in the "UK". PAV is here to deliver some awesome and unique sound effects to all content creators across the globe.

All individually hand-composed and sound-engineered sound effects which are showcased and provided by PAVS Music have been uniquely crafted using high-quality music production studio software and hardware tools.

Sound Effects Copyright Terms

- 100% royalty free.
- Free from copyright, but still owned by "Pavs Music"
- Can be used by content creators, video editors, businesses adding sound effects to their videos, commercial TV companies and game design studios adding sound effects to their applications and videos.
- Can be used inside any personal or commercial presentations for live presentation shows.
- Can be used inside any monetised videos with unlimited views.
- Can be used inside monetised applications, presentations, videos and games.
- Can be used by commercial radios and other streaming platforms to add sound effects to their programme or show.

Credits

Not required, but it would be nice if small credits such as "sound effects designed by pavsmusic.com" were showcased inside video descriptions or inside the credits.

What you're not allowed to use our sound effects for:

- Use of our sound effects inside discriminating or disrespectful content.
- To be used as a trademark by corporations.
- To be used as paid/free downloadable sound effects on other websites, applications and products.
- To be used or edited by musical artists.
- To be edited, reproduced and claimed as a personal creation or a personal or commercial sound effects product.
- No one is allowed to claim copyright claims for any of our sound effects, as they have all been created, composed and designed by PAVs Music.

All of our sound effects will be used by many people around the world, with the assurance of all sounds being 100% royalty free.

Looking to blog about our free sound effects?

We are grateful for all bloggers and forum-style websites blogging about our content. You are free to use any of our 3D box images inside your content; thank you. Please link back to our website for any free downloads.

Want to say thanks to PAV?

Join our Patreon – We decided to operate our website using Patreon subscribers. All Patreon members will support keeping all of our sound effects free and support all future sound effects content releases on "www.pavsmusic.com".
